**THE 2012 SCHOOL BALL**

Our DJ for the night – What more can we say, other than thank you Miss Hallett!

I think we all have to agree that the School Ball was an absolute success, the students, parents and all volunteers had a fabulous evening.

The School Ball is a wonderful opportunity to see all the girls in their special ball gowns and the boys either in suits or other good looking gear.

Thank you to all volunteers who came to the rescue and took over the helm in Irene’s absence. The food the volunteers provided on the night was second to none – not much was left over which is usually a good indication when children are involved, that the food is really good!
