The guys from WASO had a fantastic time here at Onslow PS and thought our kids were wonderful. They are looking forward to their next visit which will be next term. The students thoroughly enjoyed all of their lesson, particularly the instrument making on the second day. Well done to the students from Mrs Barrett's class who stood up for an impromptu performance at the last assembly.

DOGS ON SCHOOL GROUNDS
Reminder: Dogs are NOT permitted on School Grounds this is to ensure the safety of everyone. If you do walk your dog too and from school with your child they MUST BE leashed and supervised at all times around the school perimeter.

Last assembly, the high school students demonstrated the skills they had learnt as part of their First Aid Course.

The students’ performance explored the idea that many of the famous stories we all know and love would have ended more “happily ever after” - if only the characters had known First Aid!

As a result, students performed their skills on some rather strange patients, including Little Red Riding Hood, Humpty Dumpty, Snow White and Sleeping Beauty.

The high school students were quite proud to show off the skills they had learned to their Primary School audience, who also seemed to really enjoy the performance.

A big thank you to the ladies that helped in the canteen on Thursday and Friday while the Canteen Manageress was away.

Parent helpers are always welcomed and appreciated, just an hour or two here and there makes a big difference.

New to town or just want to get out of the house catch up with Karen at the canteen who will gladly put your name into the Volunteer calendar whenever you are free.
