Dear Parents, Guardians, Caregivers,

Attendance

This term Onslow PS will be putting a spotlight on individual student attendance. Individual student attendance data has been reviewed and from this information the school will be targeting individual families with Case Conferencing or Formal Meetings with the view to improving their child/children’s attendance. Parents are responsible under the School Education Act 1999 for ensuring their child is attending on a daily basis. Should the individual student’s attendance not improve after these meetings the school may then have to convene an Advisory Attendance Panel, which is able to recommend the commencement of prosecution. Should you wish to discuss your child’s attendance please contact the school. Every day counts.

NAPLAN

The National Assessment Program in Literacy and Numeracy will be occurring on the 12th, 13th and 14th of May for students in years 3, 5, 7 and 9. It is important that students attend school and sit these tests as they provide point-in-time information in relation to student performance.

WASO

WASO on the Road tour will be at Onslow PS on the 20th of May. This year they are touring with a Wind Quartet featuring flute, clarinet, oboe and bassoon. There will be a school performance for students on the day with a community performance occurring in the evening. More details will be sent out closer to the performance date.

PBS Partnerships

Onslow PS is very pleased to announce that we are working with the Shire of Ashburton Activity Team and the VSwans in regards to introducing our school expectations of Be Safe, Be Caring, Be Respectful and Be Your Best to Out of School Hours activities. Over the next couple of weeks Onslow PS will be supporting the activities team in consulting with children who attend the activities on the Positive Behaviours that will be expected at the MPC. The school is also working with the team on how these behaviours will be recognised at the school and community level. Watch this very exciting space!

PBS Award Winners

This fortnight our focus was Be Safe and Be Caring. Congratulations to our two PBS Award winners: Jasmin Lockie and Tara Drummond for showing the expected behaviour at school!

Jackie Barry

When your child misses school, they miss out. Support your child and make sure they come to school all day, every day.
Chevron has kindly donated 12 family passes to SciTech. Each pass consists of two adults and two children or one adult and three children, passes expire on the 30 May 2015.

Passes can be collected from the front office.

Willetton Senior High School

Specialist Basketball Program 2015

WASO MUSICIANS HEADED TO ONSLOW

In May WASO is bringing double the fun to Onslow. Thanks to our partnership with Chevron Australia we are excited to be bringing the WASO on the Road Tour to the Pilbara again from 18 - 22 May with a wind quartet. At the same time, WASO Teaching Artists Paul Tanner and Mark Cam will return to deliver the next Onslow Kids Music Education teaching pod at the school where they will begin preparing students for their performance at the Festival of the Pilbara Festival in June.

On Wednesday 20 May the WASO quartet will perform an interactive concert at Onslow Primary School for all students. Then in the afternoon we will host two free events-a community BBQ at the school's community garden followed by a community concert starting at 6pm which everyone is invited to attend. At the concert you will hear a mix of classical music favourites and popular music performed by the WASO quartet. We are really looking forward to seeing some old faces and getting to know some new ones. Hope to see you there!

2015 School Photos Information—WEEK 8, TERM 2

Our School Photos will be taken on Wednesday 10th of June 2015

Personalised envelopes will be sent home to parents SOON. PLEASE NOTE: You now have the option of placing your photo order ONLINE instead of filling in the pre-paid envelope, refer to your child’s personalised envelope for details about online ordering, or phone MSP Photography on 08 9342 3465 if you have any queries.

If you are placing your order through the pre-paid envelope please make sure that your child brings the envelope to school ON OR BEFORE photo day to hand to the photographer, otherwise your order will be missed. NOTE: if you have placed your order online, you DO NOT need to bring in your envelope to hand to the photographer.

If you wish to purchase a family photo, please come to the administration office to collect a family envelope. It is the eldest child’s responsibility to collect their siblings at the scheduled time for family photos. However, we have scheduled family photos to begin at 7.45am so as not to interrupt class time and make it easier for parents to bring in younger siblings. On delivery of the school photos the family photos will be left at reception for parents to collect, they will not be sent home with the children. NOTE: Family photos cannot be ordered online.

NO CHANGE will be given so please ensure correct money is enclosed in your envelope.

We now offer online ordering for your convenience. Payment for photos can be made by cash, cheque or money order in your prepaid envelope or via credit card for Online Purchases Only.

All children will have an individual portrait taken whether purchasing photos or not for the school database. If you have not placed an order on photo day you can still ORDER ONLINE up to 6 days after the last photo day. If you wish to place an order and it is after the 6 day period please phone MSP Photography on 08 9342 3465. PLEASE NOTE: Orders placed after the 6 Day period will incur late fees.

All children will have the opportunity to purchase Specialist Group Photos (JET Program), once the photos have been delivered to the school, at $15.00 each. The photos will be available to view and order online up to 2 weeks after the delivery of our photos for ordering. The school will send out a new newsletter with instructions once the photos are available to order. Any Special orders placed after the due date (featured in the second newsletter) will incur late fees.
Easter Hat Parade

Winners:

Kindy: Kada Hayes
PrePrimary: Ryan Menta
Early Childhood 1: Claire Lockie
Early Childhood 2: Lyla Tyndall
Upper Primary 1: Amroda Coughlan
Upper Primary 2: Royden Elliott.

Swans Active Education Update

V Swans Community Programs

Friday Night Lights

During the 2018 season Swans are introducing a new program to issue called Friday Night Lights. Every Friday night, Swans will provide a space for people of all ages to come together on a Friday night between 6pm and 8pm and enjoy various activities while "watching some footy". A snack supervisor will be provided during this time to encourage the Little River Junior Basketball Club to do more with more.

V Teams Junior Final

Saturday night will see the biggest of Swans Junior Finals. Junior Finals aim at children between the ages of 7-12 years to experience the fun and excitement of playing soccer on the main grandstands. Registrations for this event are now closed and players and officials have been selected. All players and officials are required to arrive 30 minutes before their respective time. This is a fun and free event for children and will conclude at 6 PM. We promote equal and skill participation at Swans Junior Finals as we believe everyone deserves the opportunity to enjoy the game.

Active Education at Onslow Primary School

JET Program

The JET (Junior Enrichment Themed) program returns to Onslow for this term with 8 students participating in the program. The program is designed to allow children aged 5-10 years old for children with and without support. The program encourages students to participate in the activities of the program and encourages them to participate in the activities. The 8-week program is designed to provide students with experiences in various aspects of life, focusing on building their social and emotional development. Each week is centered around a theme that explores how to help others. This year the students will focus on designing a fun and engaging program to improve basketball skills and general fitness.

JET Kids FMS Program

This program is a new program that adds JET Kids to the FMS program. The FMS program was developed for elementary and pre-primary students in Onslow and will be incorporated into the classroom routine.

The JET Kids program serves as an extension, a curriculum-based and highly engaging program with the development of a strong relationship and positive experiences, focusing on improving the physical literacy of the young children.

Our main focus is to improve the physical literacy of the young children at Onslow Primary School. Physical literacy provides a solid foundation for children and youth to develop the skills, knowledge and attributes they need to lead them to engage and participate and contribute across a wide variety of activities.

Secondary

After a stormy term 1 including TC Olwyn, the students settled into the new year with enthusiasm for the year ahead, and welcomed the year 7s and 8s for their first time to High School.

Our days start with check-in where all the students are informed of the days events and future directions with all students providing positive feedback to enjoy the school environment. One of our major achievements in term 1 was nearly all of the students completing a two day First Aid course, bandaging everybody up, resuscitating a dummy and arriving at simulated crash scenes. Although it was serious, the students had a lot of fun!

At the start of term 2, the students were chosen to present a theme for the first assembly. They proudly continued the 100th Anniversary of the ANZAC campaign, and what it meant to the birth of a nation - Australia.

As term 2 continues, the students are excited about making another movie for the Students Advising Youth project (SAY project) for 2015. This year the project will focus on “The Problems of Alcohol”. They came 7th last year out of 250 schools and proudly represented Onslow School with a trip to Perth for the presentations. So if you see the secondary students out and about, laughing and filming, they will be striving to be Number 1 this year. Cheers!

Please enjoy the photos of the high school students and the Shooting Goals program with V Swans!
