

# ONSLOW SCHOOL BULLYING ROADMAP

What will happen if I report a bullying incident?

## Step 1: Listen

Your teacher will listen to you and write down what has been happening.

## Step 2: Collect information

Your teacher will speak to all of the people involved (including witnesses).

## Step 3: Inform

Your teacher will tell other relevant adults (deputy principals or your parents).

## Step 4: Next steps

Your teacher will discuss with you what will happen next.

## Step 5: Review

Your teacher will check in with you to see how you are. This might happen more than once.
